## SUMMARY

Graphic Designer with over two years of experience in both static and motion design, dedicated to creating impactful visual narratives that support brand development. Proficient in **Adobe Creative Suite**, Figma and DaVinci Resolve with a strong focus on producing refined, contemporary designs.

## EXPERIENCE

**Multimedia Designer** Jan 2024 - Present

Centizen Inc, Tirunelveli, TN

- Developed visual branding assets and digital graphics that enhanced brand consistency across web and social channels.
- Conceptualized motion graphics and static designs (adaptable to print like brochures) to promote new features and company milestones.
- Collaborated with product, marketing, and dev teams to design UI elements, landing pages, and promotional campaigns.
- Created interactive prototypes and design mockups for web and mobile interfaces, incorporating stakeholder feedback to enhance usability and user experience.
- Streamlined design workflows by maintaining brand consistency across multiple digital and print assets, ensuring timely delivery of marketing campaigns.

## EDUCATION

**B.E. Computer Science and Engineering** 2020 - 2024

SCAD College of Engineering and Technology, Tirunelveli, TN

Completed B.E. in Computer Science with a focus on developing fundamental knowledge in programming, computer applications, mathematics, and logical reasoning.

**HSC Computer Science** 2018 - 2020

Cathedral Higher Secondary School, Tirunelveli, TN

Developed a strong foundation in computer science, programming, software development, and problem-solving.
